October 1st, 1926

RE* SPECIAL INVESTIGATION

Again visited and remained about premises 255 French Street, Cafe of K. Chicken, in endeavor to learn the information desired.

About the same persons came in and out of place during the night, as of report of Sept. 30th, 1926.

Have at no time during two nights spent here heard the name of Pinkus, Clifford or Raymond, nor old Tom (employed at Gibson Farm) mentioned.

There is a sign over bar tonight, announcing "Young Roast Pig" will be served free to all Sat., Oct. 2nd, which will no doubt serve to bring many others here.

Respectfully submitted,

Thomas L. Harrison
